

1st Grade School Supply List

Students must be prepared to learn each day. Having their supplies ready everyday is extremely important so valuable class time is not wasted. All supplies must be labeled with child's first and last name. Supplies need to be replenished throughout the year, as they are consumed, broken or lost.

It is a good idea to have some extras stored at home. Individual homeroom teachers may have additional items on their lists. Please cross reference list on the first day of school.
